"You can't make me laugh, no way!"

"When you're hot you're hot!"

"Hey, there, fella!"

"Why me???"

Close-ups

Life at Indian Creek is not as bad as they say. We enjoy it here for what short time in our lives that we attend school.

Life is attending school everyday trying to pass all our classes, running in the halls, yelling with our friends, and being a part of our school.

Every school has the same opportunities as IC but, we here at IC, make the best of what we have and are proud to be a part of it.

"Ahhhhhhh, too bad!"

"Who should I ask out this weekend?"

"If I'm not sexy what am I"?

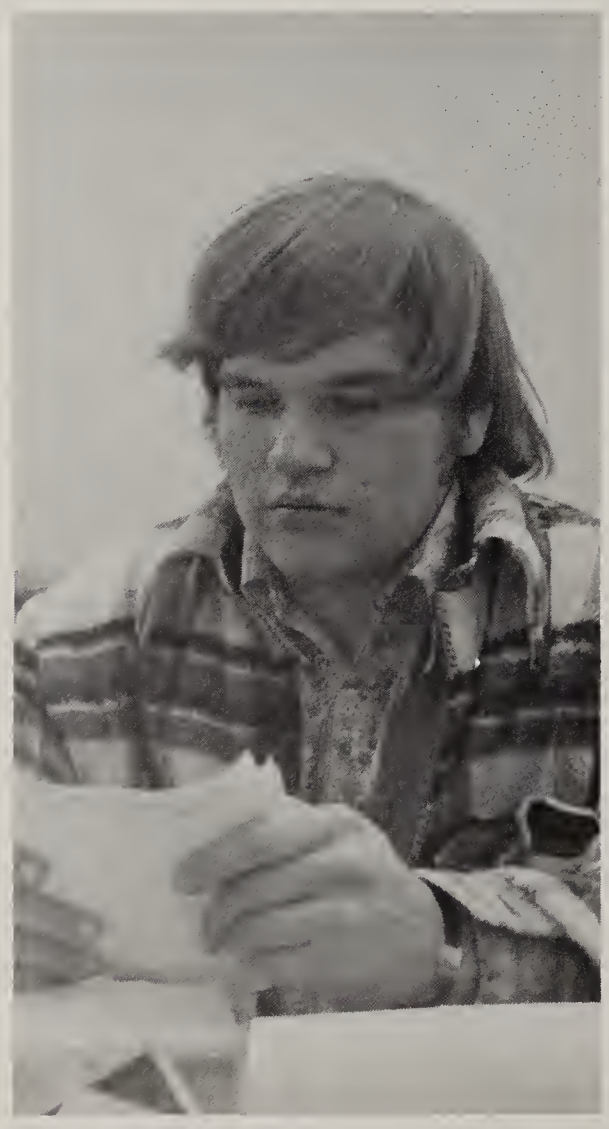
"Heil Hitler!"

"What you see is what you get!"

Different Views of IC

Anita Jessee, a constant nap snatcher, takes a snooze during a lull in work on the yearbook.

Brenda Smith shouldn't you be in class now?



Ronnie Mathews stops in the yearbook workroom to look at pictures.

Two seniors of the great class of '73 Danny

Wise and J. C. Hogue.

During lunch hour Sherry Gregory and Cathy Anderson sit on mats in the gym.

Lynn Conner didn't want her picture taken, but we did anyway.

ACADEMICS

Students Learn Language,

LuAnne poses a typical question in Mrs. Haase's US History class.

Miss Beckman gives a quick look at the grade book.

Brenda looking puzzled over report card in Mrs. Ditmars junior English Class.

Miss Weaver tries to explain a perplexing problem to Carol.

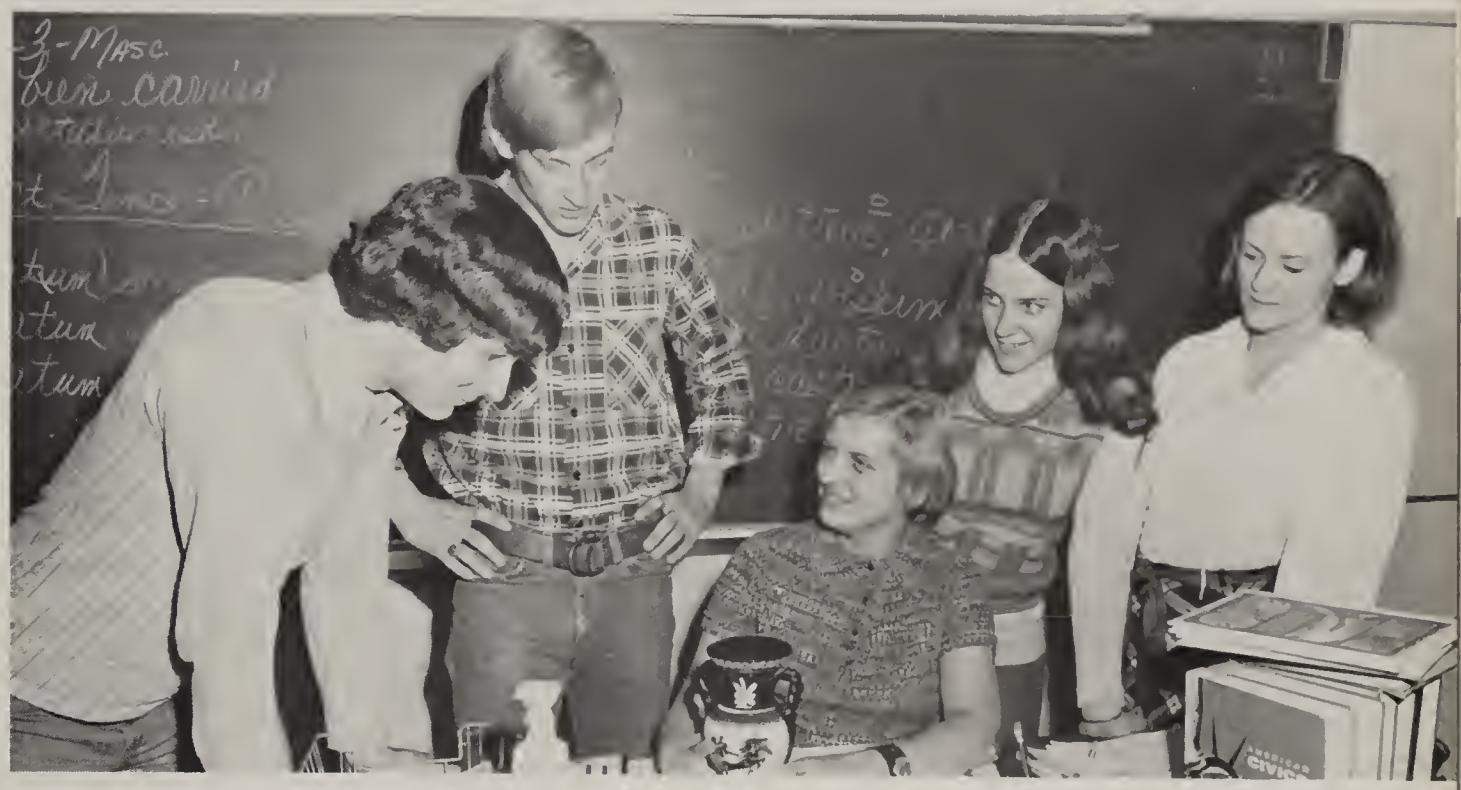
Culture

Shakespeare, Poe, Bryant, Browning; nouns, verbs, adjectives. If any of this doesn't sound familiar, someone has been sleeping through English class. The department has a staff of six teachers: Mrs. Ditmars, Miss Vilet, Mrs. Stafford, and this year it has added three new teachers: Miss Weaver, Miss Beckman, and Mrs. Haase.

Language at IC is geared not only for college-bound students but also for those students who are interested in learning languages and cultures other than our own. IC expands the language arts program offering Latin, Spanish, and French to its students.

Mrs. Stafford tries to explain the structure of the French language to Paula.

Miss Vilet checks on her students' pronunciation.



Latin students admiring relics from other countries.

Betty seems to be satisfied.

The World of Math & Business

Mr. Sturgell, teacher of Sr. Math and Geometry.

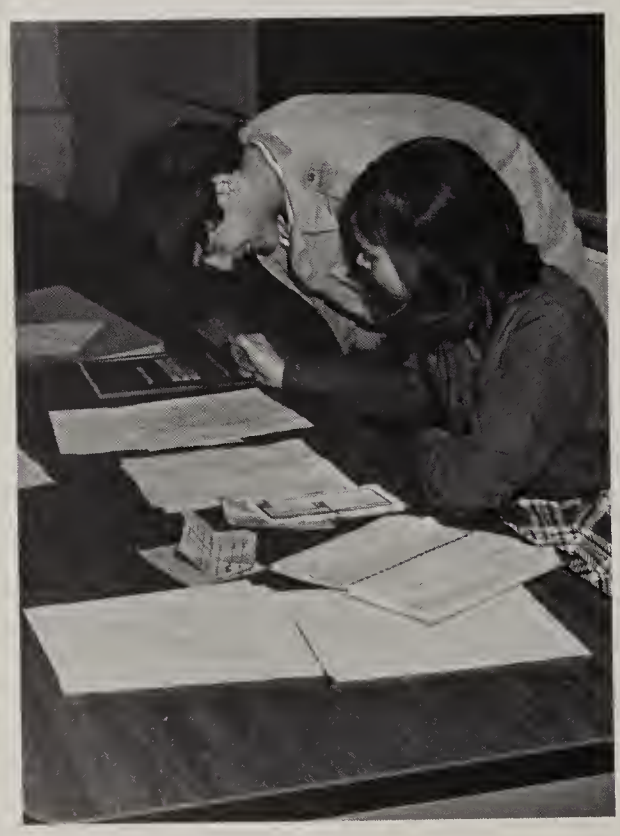
Mr. McNeely, famous storyteller, Algebra teacher.

A new arrival in the Business Dept. this year is Mrs. Spilker. The Business classes took trips to the Indiana National bank and to a court trial.

There are no new teachers in math, but for those who haven't taken it the math is new and incidentally it's also hard.

Connie Weddle and Cathy Hicks in I-Lab.

Mrs. Spilker keeps an eye on her General Business class.



Mrs. Swearingen shows Bobby his grades.

Mrs. Woods typing teacher.

Layout, Shaping, Growing, Expanding Knowledge

The Ag Dept. does plowing, planting, growing crops, and helping farmers of the community.

In shop you learn how to craft wood into useful objects such as lamps.

Drafting teaches layout of plans for houses and machinery.

Surprised by the camera, Mr. Sieboldt still continues his work.

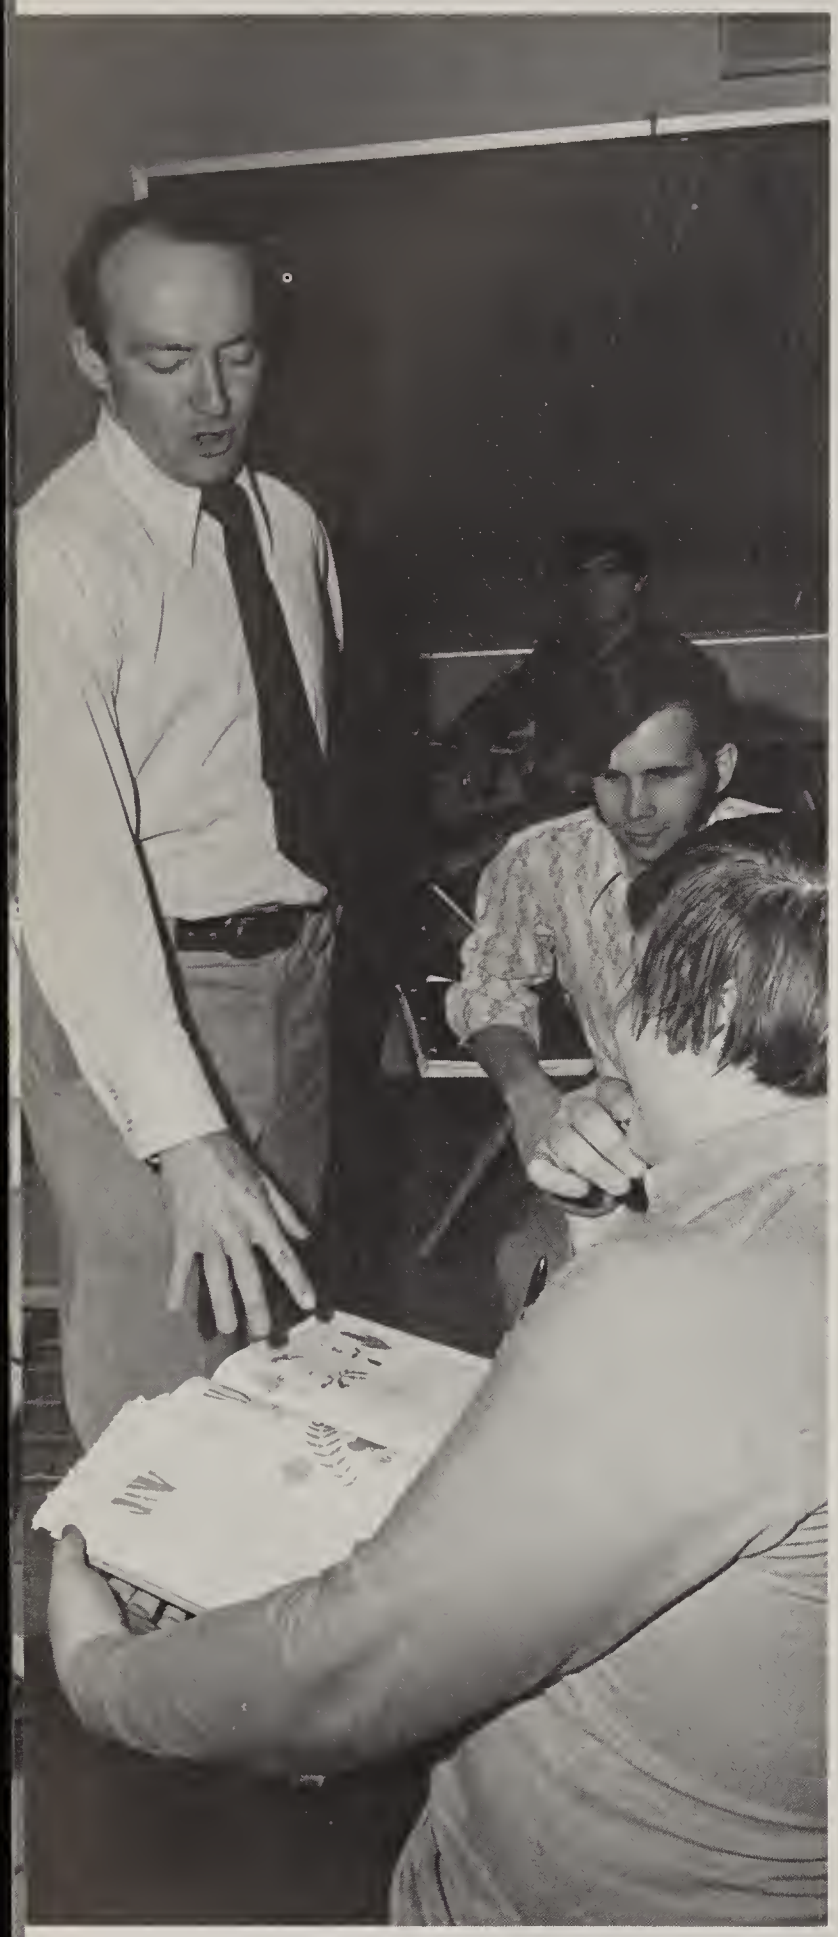
George Zupancic is caught working. Will wonders never ceasel

One of the projects in shop is taking shape courtesy of Bruce Ford.

John Webb gets his start in politics by holding the crowd spellbound. What crowd?

Not realizing he is caught by the camera Ted Hogue works on.

Learn of the World Through Science and History



Kevin Logan has some questions of his own for Mr. Wagoner in Biology class.

Students cluster around Mr. Heckman seeking answers to difficult questions in science.

A normal Mr. Harmon history class; down to earth and interesting.

Mr. Hoagland, the gov't teacher, watches his study hall chess group.

Brings Out Your Creative Talents

Mr. Harmon and Mr. Hoagland try to give students a look at the world as viewed through history and the news. Mr. Heckman and Mr. Wagoner give us a look at the world through a microscope. Much can be learned in either field if the student is willing.

Home Ec., Music, and Arts & Crafts may not seem to have anything in common but they do. Each one is an art. Many people who try cooking or sewing and just can't boil water or sew a seam know that there's more than meets the eye to Home Ec. The same goes for playing a musical instrument or singing without hurting the eardrums of others. And as for Art anyone can draw, but some just can't get beyond stick figures.

Some artwork done in Mrs. Bray's classes.

Luanne Coy plays the piano for Miss Snell.

Katie Teeters is caught by surprise as she goes into Mr. Zent's office.

Ron Esselborn displays a mask he made in art.

Lynn Conner and Karen Childers whip up something good in Miss Settles senior Home Ec. class.

Give the Body a Workout

Mr. Anthony hands out grade cards in his health class.

Mark Miller and Mr. Branham talk during a relaxed moment in health.

Greg Raley, J. C. Hogue, and Mike Richey work out on the weight machine.

Mrs. Newton's sophomore P.E. class gets a good workout playing dodge ball.

Mr. Welch's class takes their turns at the mat.

Peek-a-Boo!

Mrs. Bradley, Mrs. Spilker, and Mr. Sichting.

Mr. Sichting and Mrs. Stafford portray the way they see the students; complete with yo yos.

Another test?! I didn't pass the last one!!

Time out! It's time to goof off.

This class looks interesting. I wonder if they're learning anything. I doubt it!

Spirit Runs High When Yelling for the Braves

With the Freshmen, Reserve, and Varsity cheerleaders leading the way, IC's Pep Club showed great spirit as they cheered for our teams through victory and defeat.

Spirit was really high as the boys organized a pep club in conjuction with the girls. This combined effort with many other fans gave great support to Brave teams.

Sports—the Nucleus of I C

The GAA (Girls Athletic Association) has opened new doors for girls in sports here at Indian Creek. These sports include basketball and volleyball. GAA has also been very active in money making projects to support themselves.

An athletic group of young men, the Lettermen, play a very important role in sports activities at IC. The freshmen, reserve, and varsity cheerleaders work very hard to get the student body to show some spirit at the pep rallies and at the games.

Concert Choir is a select group of students who are interested in vocal music. This group presents a musical each spring. Concert Choir is also involved in the Johnson County Choral Festival. Students who are interested in music alone can join mixed chorus without any special requirements. Mixed Chorus works in cooperation with Concert Choir when doing concerts.

Band presents concerts, plays during the pre-game and half-time shows at the football and basketball games aided by the bravettes. The band also plays in the Johnson County Band Festival.

The Band and Bravettes worked very hard during the football season to prepare halftime shows for the football games. The band is now working on basketball games and preparing concerts.

IC Imitates Broadway When Doing Plays

The Dramatics Club is comprised of students who are interested in some aspect of the theatrical arts. In the fall of each year the Dramatics club produces three one-act plays for the community. Throughout the year the club attends other productions produced in the surrounding area to further explore the arts. The International Thespian Society is comprised of the most dedicated members of the Dramatics club. To become a member one must earn ten thespian points. These points are awarded for different activities. At the beginning of the second semester the Thespians produce a three-act play open to the public.

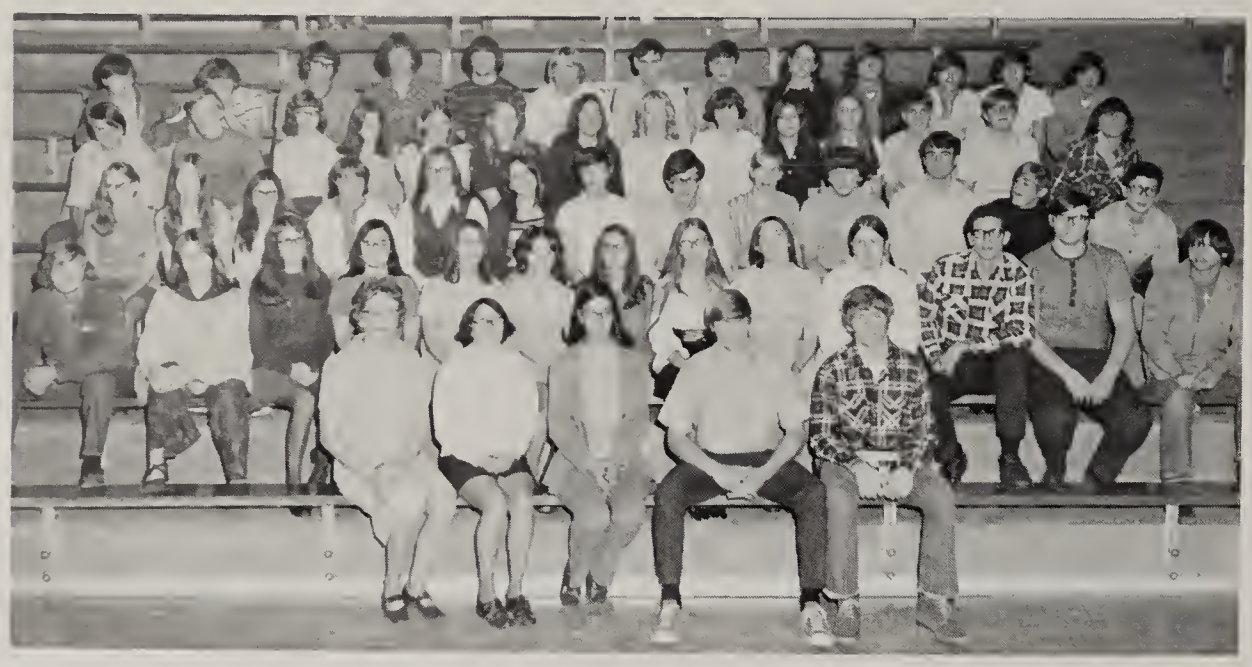
Students Learn Through Practical



The Library Club is an organization for those students who wish to express their interest in the school library. To boost their funds Mrs. Tichenor sells cookies, crackers, and candy in the teachers lounge.

The Business Club went to the Indiana National Bank Tower and Indiana Bell Telephone Co. The Business Club's project this year will be the publication of an IC handbook which is complete with all the school's clubs and is the first of this type published at Indian Creek.

If you are interested in audio visual equipment and the use of them, you should look into IC's AV club. It offers an opportunity for those interested in AV or those who just want the experience in AV to learn how to properly use the equipment and assist in the classrooms with AV.

It's Nice To See Old Friends

1972-73 Homecoming Queen Sandra Mullendore enjoys her new position.

1972 Homecoming started with a powder puff football game, pitting the seniors and freshmen against the juniors and sophomores. The seniors and freshmen coming out victorious. Following the powder puff game a bonfire lit the faces of any Indian Creek fan brave enough to face the weather.

The next night Sandy Mullendore was crowned queen and many clubs decorated cars and built floats. The Braves won over the Indiana Deaf School 44-14. A dance in the cafetorium along with a social hour ended Homecoming 1972.

The JCL float is being pulled by (L) Robert Tryon and Kevin Logan. Taking a ride is Peter Rairdon.

Supplying the music for the 72-73 Homecoming dance is The Light Touch.

Leading the Band and Bravettes are (L) Capt. Sharon Key and Co-Capt. Rhonda Kean.

The ICHS bonfire burns brighter as Mark Renner throws more paper on it.

Racing down the field, with the pigskin, is Ray Bidleman on his way for a touchdown against the Indiana Deaf School.

Struggling for victory during the powder puff game are (L) Marsha Rogers and Leah Bauke.

Christmas Times Are Coming

The 72-73 Christmas dance was held in the cafetorium while the Modern Sounds furnished the music. Kim Sichting was crowned queen and her escort was Dennis Lasiter. A picture corner was set up with a sleigh and a christmas tree. Ron Maxwell, from Gill Studios, took pictures.

During the Christmas Season many teachers and students decorated their rooms. Christmas ended here with an all school party and a christmas play.

Awards Day

Awards Day turned out to be a comical ceremony as well as a serious one. Students who worked hard during their high school years were awarded, and teachers who also worked hard were rewarded—with gags. Seniors presented members of the faculty with gifts like this—peanut butter, gerbils, frogs, and even an Archie Bunker T-shirt.

Paul Clark presents Mr. Nation with a plaque in memory of J. C. Hogue inscribed with the memoriam and with the 1973 Senior Class gifts to the school.

Cecil Giles presents Mr. Wagoner with "Jerry Gerbil" at the awards day program.

Myra Watson receives scholarship from the Alpha Chi Chapter of Epsilon Sigma Alpha Sorority.

Myra also received a $500 scholarship from Delta Theta Tau Sorority and a cassette recorder for use in her classes at college.

Junior Class President Mark Renner receives the senior key from Senior Class President Paul Clark in Awards Day Ceremonies.

Linda Frownfelter and Janet Mitchell receive awards from Mr. Nation for Valedictorian and Salutatorian.

"You were always a law unto yourself, Miss Ingram. I am honored," said Rochester. (Greg Voshell and Nancy McKee)

"Your past? I see a broken riding-crop. I see three broken riding-crops," said the fortune teller. (Janet Mitchell, Greg Voshell, Paula Gray, Nancy McKee, Pat Woods, and Teresa Heiney)

"Dearly beloved, we are gathered together here in the sight of God, and in the presence of these witnesses to join this man and this woman in holy matrimony." (L-R) Nancy Owens, Paula Gray, Greg Voshell, Teresa Heiney, and Eric Hunt.

"Miss Ingram—let me present Mr. Mason, an old school friend of mine . . . Miss Blanche Ingram." (Nancy McKee, Pat Woods, and Greg Voshell)

Presenting My Fair Lady & Jane Eyre

Jane Eyre and My Fair Lady have one thing in common in that Greg Voshell had the male lead in both productions. Jane Eyre is a dramatic love story by Charlotte Bronte which starred Teresa Heiney as Jane. My Fair Lady is a musical that starred Julie Andrews on Broadway for 2717 performances. Sandy Mullendore played the part Eliza Dolittle. Both were done quite well thanks to the hard work by the casts and the directors.

Col. Pickering, Eliza, and Higgins celebrate; Eliza has finally learned to speak properly. (Pat Woods, Sandy Mullendore, Greg Voshell)

"Just you wait Henry Higgins, just you wait." (Sandy Mullendore)

Eliza sings, "I could have danced all night." (Kim Holt, Luanne Hickey, Teresa Heiney, Sandy Mullendore, Jayme Price, Janet Mitchell)

"Pickering, why can't a woman be more like a man?" questions Higgins. (Greg Voshell, Pat Woods)

Danny Wise shows Marsha Rodgers that the water isn't all that bad.

"Summer Breeze" is the name of a hit song and also the theme of this years prom at which Lorrie Proctor and David Schroeder reigned as queen and king. Couples danced to the music of the Light Touch. After the prom many retired to the Y in Martinsville where there was pool, ping pong, basketball, swimming, and refreshments.

SPORTS

We Shall Return

Indian Creek's Varsity Football team came off with a good season. All the promises of an outstanding team came true in the 1972-73 schedule. Our Braves have come along way since they started to build the team in '71. With many of the lettermen returning next season, the future looks good for the Braves.

Indian Creek's reserve team showed good prospects for future Varsity Braves. The reserve, with a two to four record, improved with each game, and they all are hoping for the chance to become Varsity Braves next season.

Studying the game situation and planning game strategy is Coach Welch.

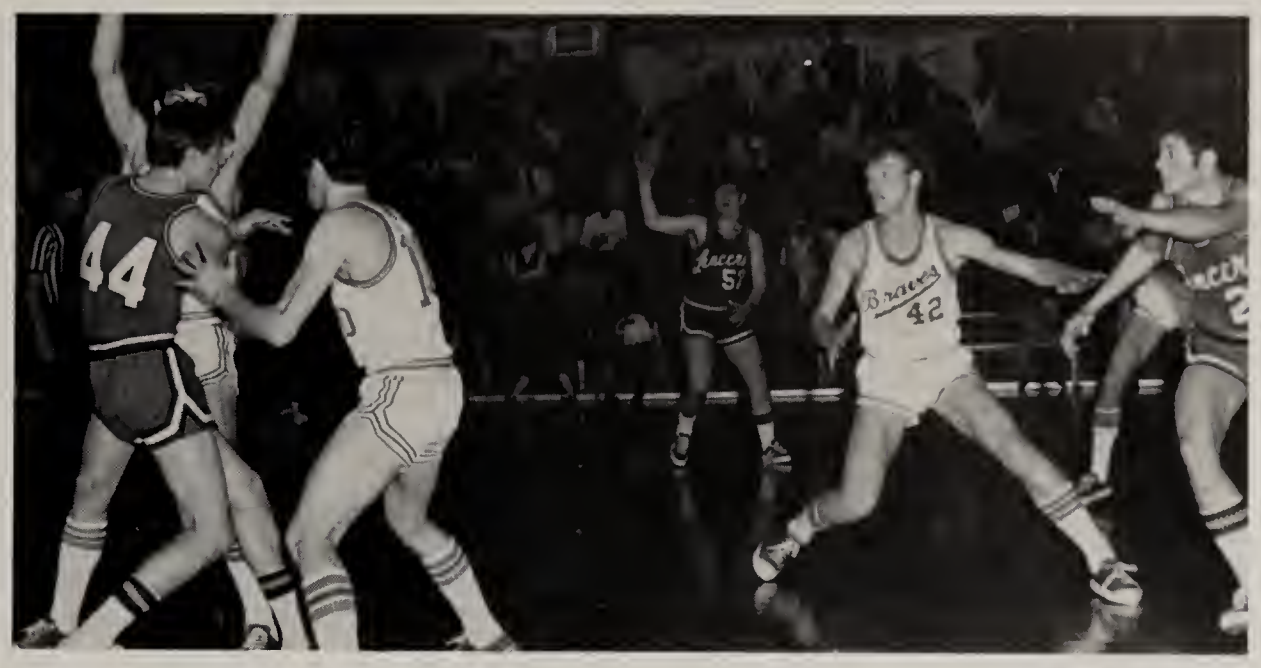
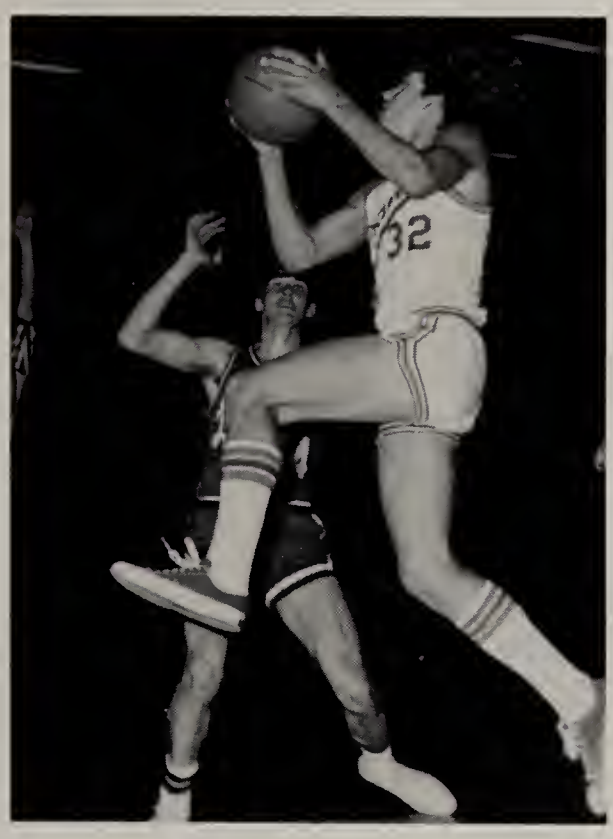
Braves Are Big, Bad, Boss . . .

IC's Braves ended the season with a 12 -9 record as the tallest team in Central Indiana for the 72-73 season. The Braves were 2nd place finishers in the Mid-Hoosier Conference and beat the championship team during the season.



With a standout defense all season, the Braves show the reason for their winning season.



Showing how it's done, Terry Lattimore scores on a fast break.

Indian Creek Braves Are Gonna' Whoop You

For the 72-73 season the Reserve team won 14 games straight and set a school record. They were also the champions of the Edinburg Invitational Tourney. With an 18-2 record for the season, our Braves were one of the best 'B' teams in Central Indiana.

The freshmen season was 11-3 and the icing on the cake was the winning of the Freshmen Edinburg Invitational Tourney.

I'd Run a Mile

Indian Creek's 1972 Cross Country team, under Ralph Sieboldt, showed a successful season by winning 6 out of 10 regular meets, and getting 4th place in both the conference meet and the Johnson County meet. Out of 25 teams they came in 17th in the sectional meet held at Ben Davis.

Dennis Nix and Phil Yoder, who ran first and second all season, showed fine leadership throughout the season. In trying for MVR honors, Nix came up the winner in a very close vote. Receiving varsity awards in addition to Nix and Yoder were Randy Grose, Gene Ellis, Bruce Penn and Paul Wilder.

Get Set, Ready, RUN

IC's track team broke four school records in the 72-73 season, and set records in the two new state events, the discus and the 220 on the curve. Both events were set by IC seniors.

Although IC had a losing season, most of the lettermen will be returning. Our hopes are high for next year's track season at IC.

Larry Cook crosses the finish line well ahead of other runners for an IC victory.

It must be a close race as all but one camera conscience fan watches the finish.

Paul Wilder looks as though he's trying to catch teammate Phil Yoder, but he's really just passing on the baton in the mile relay.

As Coach Welch looks on, Jay Taylor crosses the finish line in what looks like another win.

STRIKE

Sports

The Braves of the diamond came up with another good season as they had eight seniors and four juniors with varsity experience on the squad. But the team will be tested next season as all starting pitchers and other vital spots will have to be replaced because so many seniors graduated.

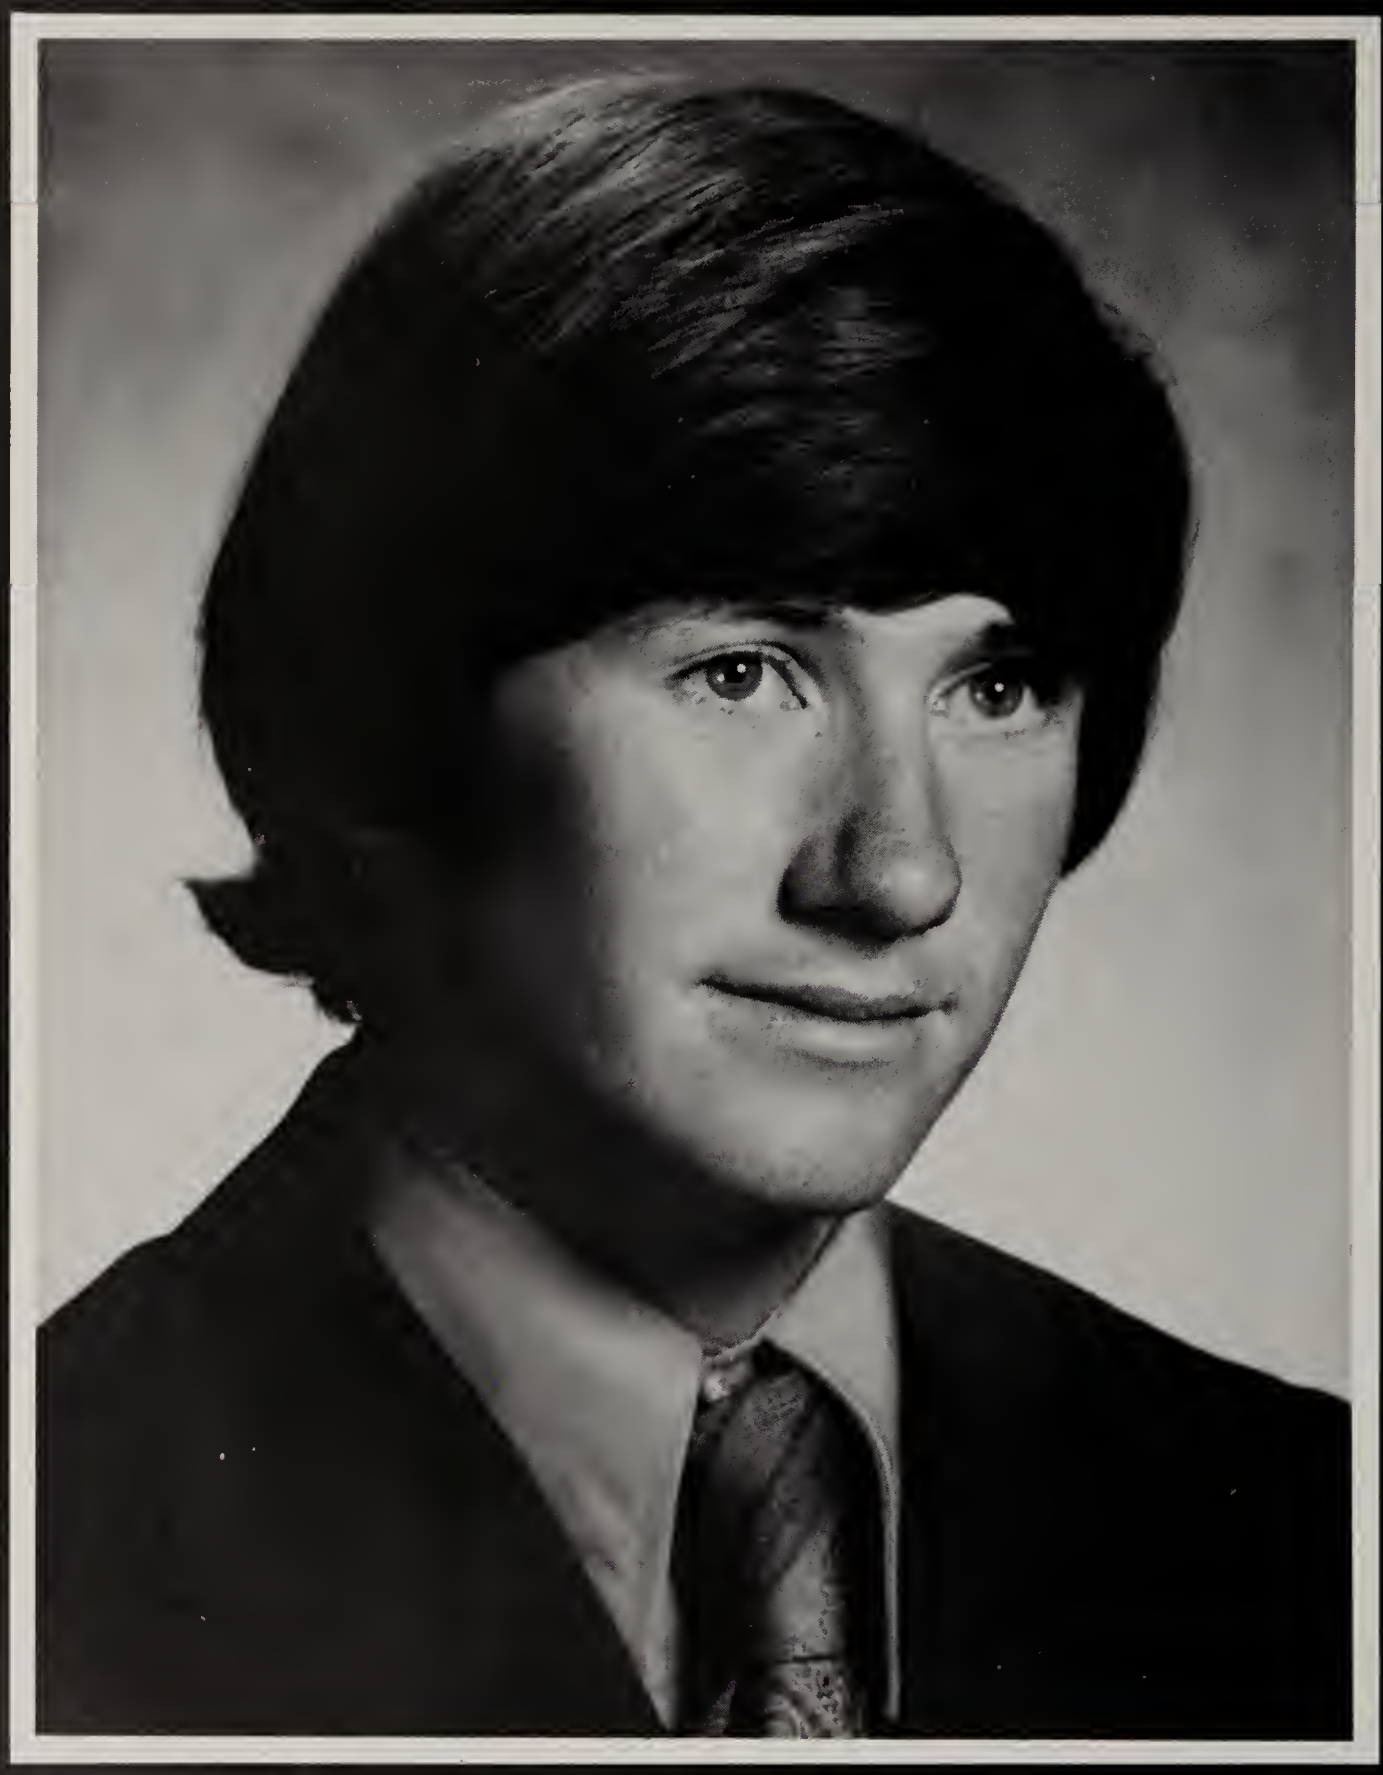
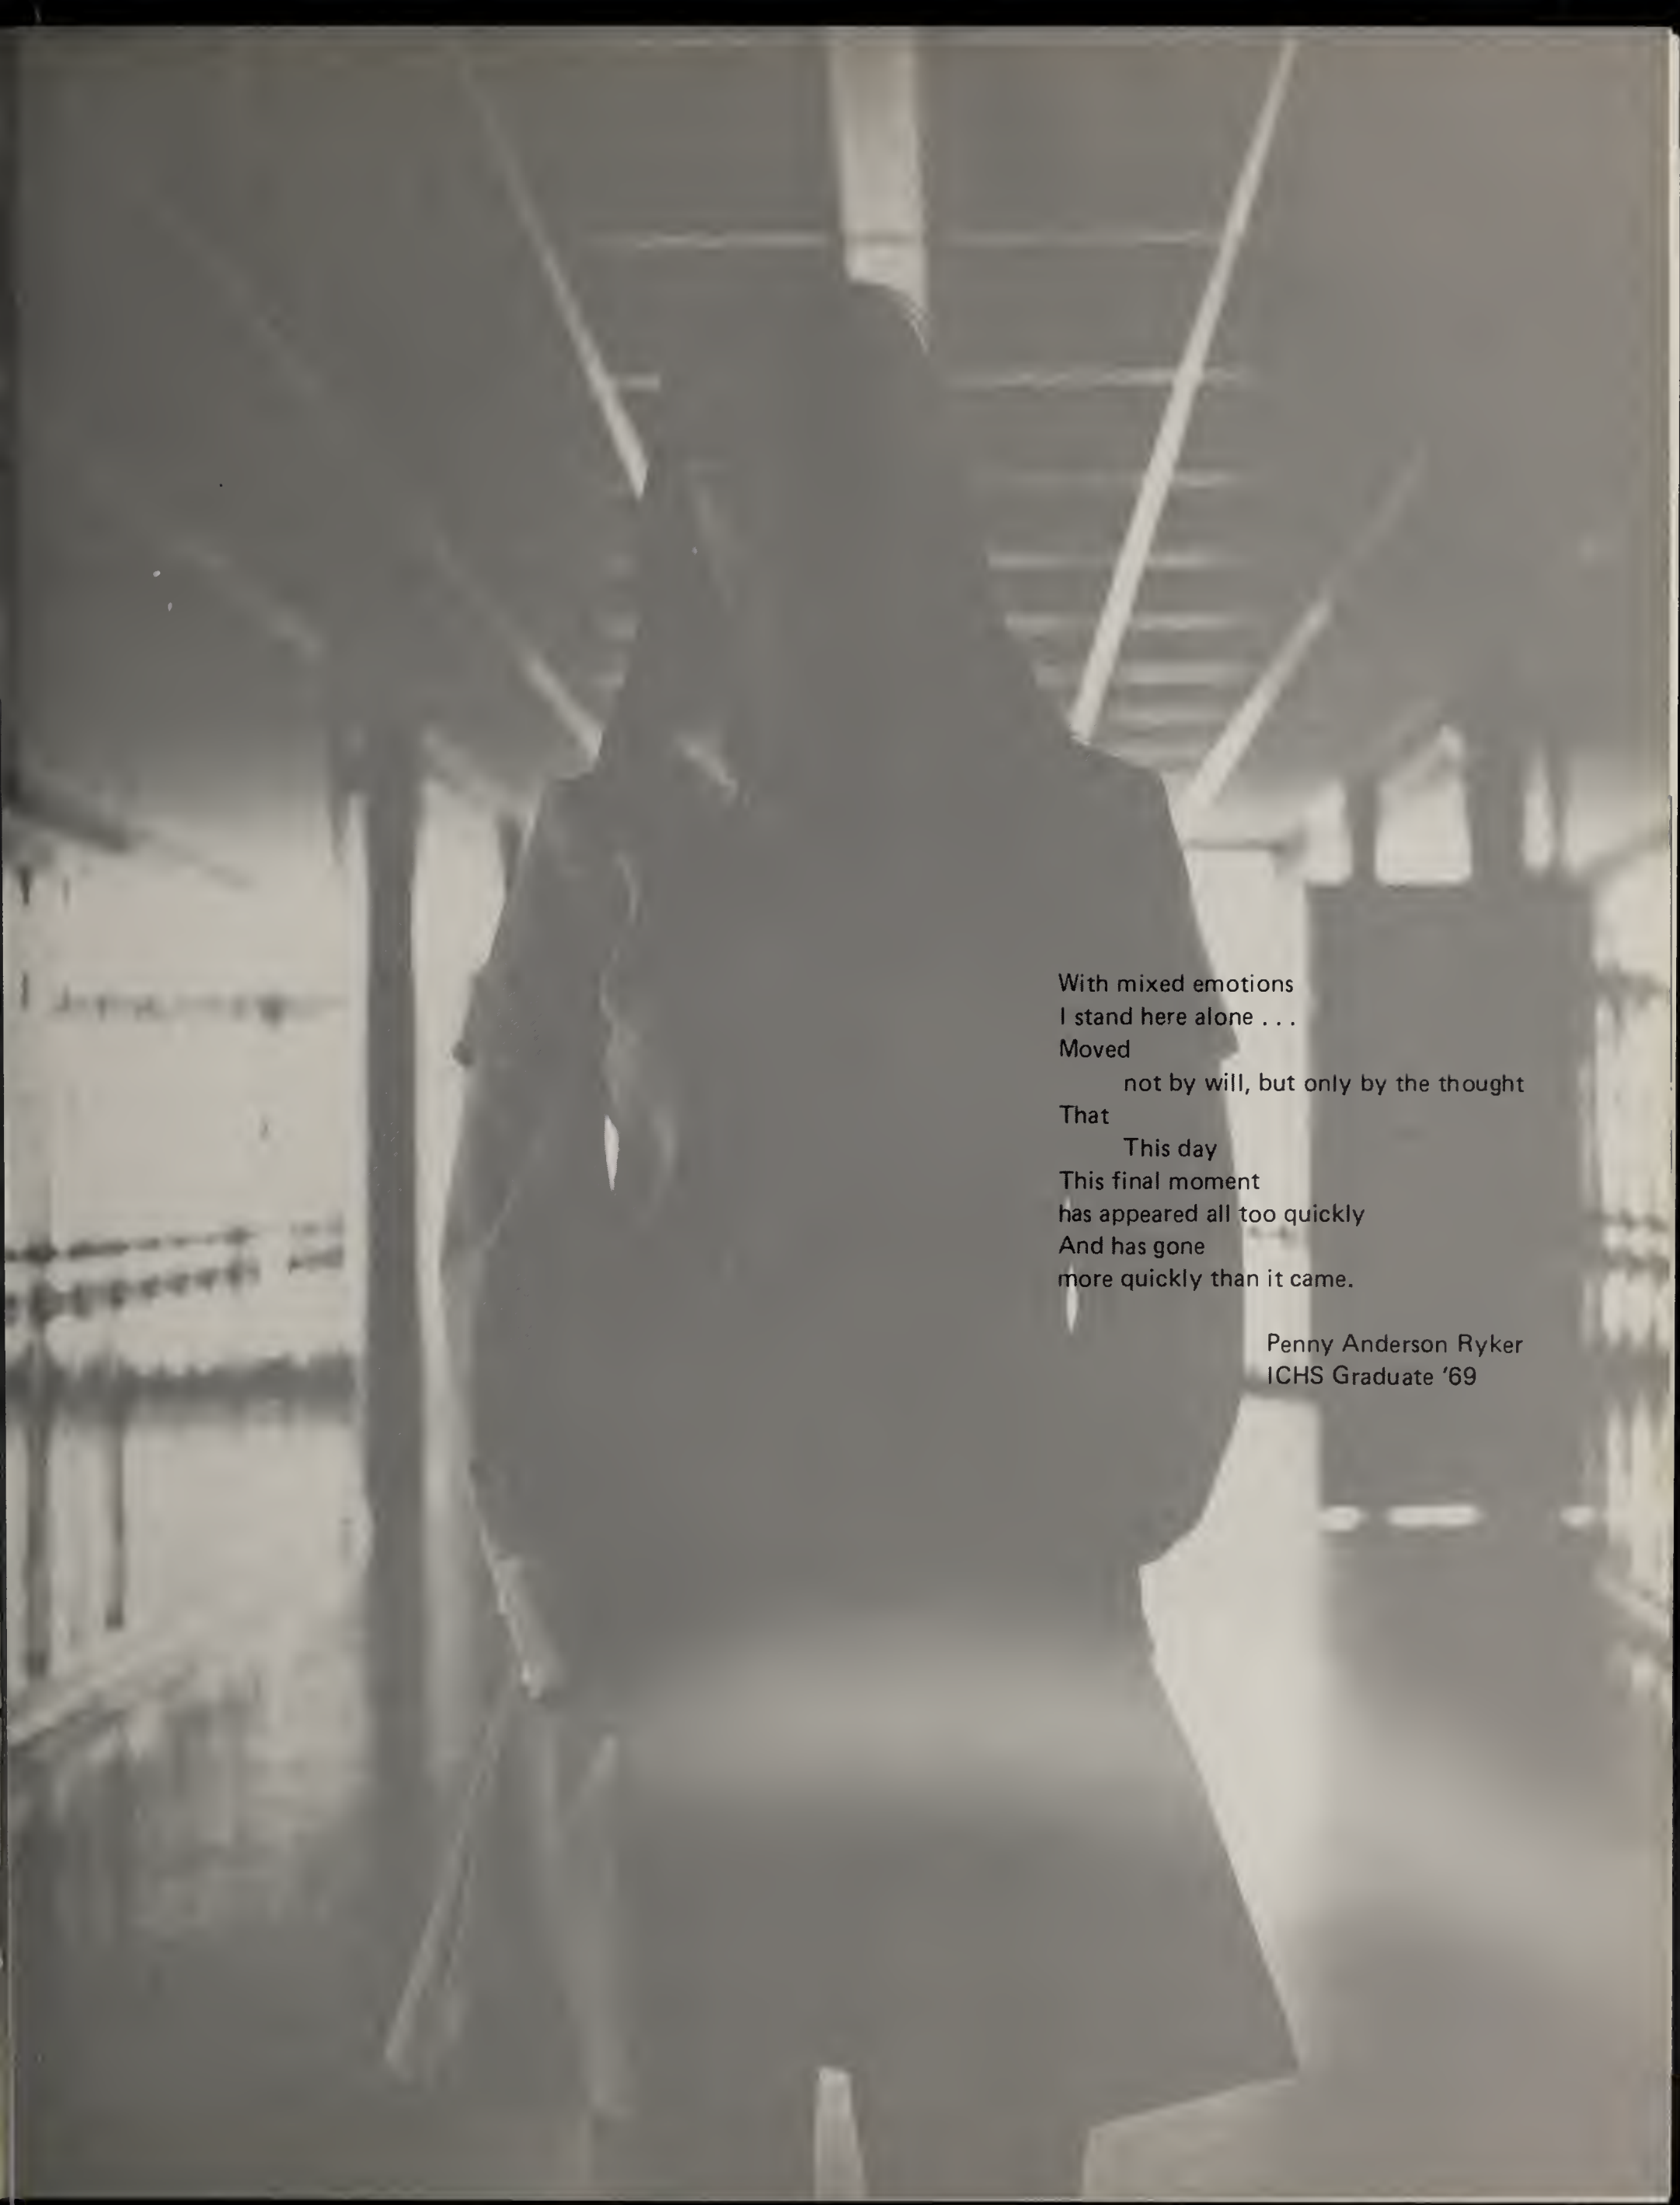
Watch
for we shall someday be men
and we will call a world
ours.
a world of tomorrow
built
on the dreams of yesterday.
We
    the children gone by,
we have laughed,
                dreamed,
smiled,
loved,
then somehow lost
and now we find ourselves
No longer the children
we once were
but not yet
the men we shall be,
realizing that lollipops
and bicycle—scraped elbows
have slowly faded
and merely become
an integral past
of the mirage we call memories,
    weeping for somewhere
along the way.
We have lost yesterday
and we are not quite sure
where to find tomorrow

Anonymous



In memory of James Charles Hogue who was tragically killed on April 1, 1973, just two months prior to graduation. We want to express our deepest sympathy to the family of J. C. Hogue from the class of 1973.



With mixed emotions
I stand here alone . . .
Moved
not by will, but only by the thought
That
This day
This final moment
has appeared all too quickly
And has gone
more quickly than it came.
